

August 2017 chapter meeting highlights – website:

“Watcha Up To?” discussion was a lot of fun and very informative. It is a lot of fun to hear about what everyone is working on or planning to do! I hope that even more of you will participate in this at future chapter meetings.

Both of our bylaws amendments passed. These will be “add ons” in our bylaws until 2025 when all of the bylaws in our region (chapters and region) are reviewed.

Be sure to send Charlotte your favorite “Stitching Hints and Hacks” so she can publish those under our “I Love...” lists website section.

Add a bio or send changes to a bio, for the “Meet the Members” section of our website, to Rosemary. We want to hear the latest about each of you and get to know one another. It is hard being an online chapter and this section is meant to help us feel like we are a group.

Our EDUCATION tab is humming on the RMWS website!!!

Our chairman, Yvonne, continues her sweet little series on small projects – check out the sub-tab: Chapter Projects. Karen has been HARD AT WORK for our chapter! Check out the 3 discussions under the Play Date sub-tab. The discussions are delightful and very informative.

Several of our members are supporting the region outreach recipient – Paraclete – with their successful attempts to organize and down-size their stashes. Mary and Rosemary sent a boxful of cross stitch related items.

As well, Nancy began a weekly stitching outreach (using materials supplied from Paraclete) in her local park that will continue into the fall/winter on a monthly basis. Our members are so generous with their time, talents and resources!

There is an EGA Stitch-a-Long available on Facebook.

The chapter-sponsored GCC, Undulations II, now has a spot on the website for discussion about the project. Participants are welcome to comment there. It is under the EDUCATION tab. You will also find some pictures of progress on the project located under the PHOTO GALLERY tab, sub-tab Group Correspondence Courses - Undulations.

There are some pictures of BEAUTIFUL progress on the President’s Challenge 3 project. Check those out under the PHOTO GALLERY tab.

If you are on FACEBOOK, be sure to go “like” RMWS there. Lisa did a wonderful job of setting this up for us. It gives us another presence on the internet which we hope will draw new members to us.

If you’d like to read about more details on the above items or reference the meeting, just use the August meeting password. Click on *Meeting Agenda and Discussion* and read the details.

CHAPTER PINS: Barb reminds us that we can all own a chapter pin! Check out the payment option on the website under “Join Us!”.
